## NEWARK ZONING REVISED, READY

Rezoning of Newark proceeded smoothly this week as the final hearing ended yesterday before the County Planning Commission.

Industrial zones around Westvaco and Bulldog Pallet Company were shown as desired by those firms.

**The issue goes next to the Board of Supervisors.**

Sole hint of dissent came last week from Staff Planner J. J. Thomas, who suggested (1) the Bulldog zoning splits a potential residential-recreational area, and (2) the area east and north of Westvaco ought to be zoned for light industrial use to provide a buffer between heavy industries and homes.

### Quarterback Hurt

By BOB HIRD

Football fever gripped the Township this week, as the Washington Hi Huskies prepare for their initial test of the 1953 season Friday night against San Francisco's Poly Hi reserves on the local gridiron.

Kickoff time is 8 p.m., with the B game getting under way at 6 o'clock.

Coach Clyde Voorhees' eleven is an unknown quantity, with only seven lettermen returning from last year. However Voorhees said today he is pleased with spirit and progress made in the past three weeks' practice, and believes his charges will do well under fire.

**A blow to Voorhees' plans came last Friday when Allan Olk, six-foot three-inch converted end, who was slated to perform quarterback chores in Voorhees "Split-A" formation, came up with a badly wrenched knee after a practice scrimmage.**

Olk probably will be held out of the Poly fracas, with an eye to having him ready for the league opener with Los Gatos the following Friday. His post will be filled by Archie Delao, 150-pound sophomore up from last year's Bs.

Delao's passing, while not up to Olk's, is pronounced "satisfactory" by his mentor.

**Other backs are Raul Orozco, 150-pound fullback, whose running has given Voorhees some hopeful moments; and two in-**

## 3 IRVINGTON BOYS BURNED BY POWDER

Three small brothers, members of a widely-known Irvington family, were burned late Sunday when one of them lighted a match to a can of blasting powder.

Suffering second degree burns and shock were Richard A. Burnsed, 13, and his brother, Joseph, 5. William, 3, was less severely burned.

Neighbors were alarmed about 3 o'clock when they heard an explosion from a shed near the J. R. Burnsed home. They found the boys dazed and screaming, covered with burns.

**Dr. R. B. Fisher, who treated the trio, said Richard told him they found a can of powder, to which he lit a match.**

Investigating deputies said the tin contained black blasting powder which had been stored in the shed. They are seeking to establish who put the high explosive there.

The two older boys were taken by ambulance to San Jose Hospital.

### HISTORICAL MEET

Washington Township's Historical Society will meet October 15 in the Washington Hi faculty dining room at 8 p.m.

## Opposition Fails to Show Against Flood Bond Election October 14

The rich southern end of Washington Township today was readying itself for a bond election October 14 which will determine whether public flood control and drainage will be put into effect there.

These are the week's developments:

1. A public hearing in Irvington Tuesday night failed to produce open opposition to formation of the Sixth Zone of the county's Flood Control and Water Conservation District.

2. Specific endorsement of the Zone was withheld Monday by the Township Chamber of Commerce when M. J. Overacker Jr. of Mission San Jose, termed the vote "a district affair."

**Vernon Ellsworth, chamber secretary, pointed out that the group already has endorsed the county-wide flood curb control.**

Also set for October 14 is a vote on formation of Zone 3-a, which takes in Alvarado and Hillview Crest.

County engineers say a "yes" vote will permit construction of drainage canals and other public works which will open both areas to homes and industry.

The bond issue for Irvington, Mission and Warm Springs is set at $1,743,000. But only part of the bonds will be sold each year to keep taxes under 50 cents per $100 valuation. The Zone 3-a issue is for $3,639,000. Two-thirds majorities are required in each case.

**Eligible voters in Zone 6 total 1537.**

Bruce Michael of Warm Springs and Carl Christenson of Irvington head the Citizens' Committee for Zone 6. Polling places are the Warm Springs and Irvington Schools, and the Mission firehouse. Also Eagles Hall, in Alvarado; and 1618 Lafayette Avenue, Hillview Crest.

### DECOTO CLINIC TO HAVE 2nd HEARING

Dr. Samuel Levine of Hayward was granted another chance Monday to convince the County Planning Commission he should be allowed to build a clinic in Decoto.

Dr. Levine previously had been turned down when several businessmen argued the project "wasn't in the best interests of Decoto." The clinic would be built in a residential area, and thus requires a permit.

Monday, over objections from Commissioners Fred Mellmann and George Dugan, Commissioner Michael Markovitz had the issue reset for hearing October 17, in the Oakland Courthouse.

Last week the local Alameda County Community Service Organization backed Dr. Levine's plan, and Vice-President Carlos Vellascas commented that "Decoto has 5000 people and only one doctor."

### TILE COMPANY ANNEX

A 7000-square foot tile drying room has been added to the Interlocking Roof Tile Co. plant at Niles, and will be occupied October 1. Five new employees have been hired to work in the $16,000 building.

### BUSINESS IN NILES WAS PICKING UP!

**A dozen business and professional leaders of Niles were crowing today over the truckload of tin cans they retrieved from a short stretch of State Highway near their town.**

**The work-clothes delegation, led by Dr. Tom Wilson, Thursday walked the highway to collect an estimated 5000 cans, bottles and other objects discarded in recent months from passing cars.**

**The stunt was staged by the Niles Chamber of Commerce to draw attention of State authorities to what Dr. Wilson terms "the disgusting conditions along our roads."**

**The doctor wants either (1) the State to give more attention to cleaning up the highway litter, or (2) Alameda County to delegate the job to honor-farm prisoners.**

**The chamber members say they cleaned the highway between the north underpass and the Masonic Home, a distance of 1½ miles, and collected "enough cans to fill Dick Nicklasson's pickup and Walt Chrysler's furniture van."**

## Native Sons Will Fete Judge Norris

A reception honoring newly-installed Superior Judge Allen G. Norris will be tendered October 6 by Washington Parlor, Native Sons of the Golden West.

Judge Norris took the oath of office Monday in Oakland before a delegation of supporters from Washington Township. He is the first superior judge to reside here.

Judge Norris is a longtime member of Washington Parlor, having served as an officer of the group for more than 25 years.

Frank Rickenbacker, chairman of the reception committee, announces the reception will commence at 8 p.m. President Anthony Avila urges all members to be present.

### STEEL MILL HAND CRUSHED BY SCRAP

Earl S. Abacherle, 24, a resident of 925 Thornton Avenue, Newark, and a veteran of World War II, died instantly Monday evening when a pan of scrap fell on him at his job at Pacific States Steel mill.

Abacherle had disconnected a flat car and was was starting to recharge an open-hearth furnace when the pan of scrap tipped off, sheriff's reports said. His head and chest were crushed.

He is survived by his widow, Patricia, and two children, Janice Lee and Stanley Cecil, and by a sister, Mrs. Marilyn Potter of Newark; and three brothers, Thomas of Irvington, and Ray and Clyde of the United States Navy.

Services will be held Friday at 1 p.m. at Chapel of the Palms, with Rev. Cecil Rhoades officiating. Burial will be in Golden Gate National Cemetery, San Bruno.

WHERE'S THE FIRE?—Bidding you welcome to the annual ball of the Niles Firemen are (left to right) Asst. Chief Caesar DiGiulio, Barbara Talley, 17, and Sharlyn Maria, 17. The firemen will hold their party October 10 in the Newark Pavilion, with music by Ralph Garner's orchestra.

Irvington-Newark

## JOINT C. of C. DUCKS HASSEL

The Township Chamber of Commerce this week ducked the Irvington-Newark boundary dispute.

And Gordon Cotton, Newark delegate, hinted Irvington's stand on the issue is premature, since Newark has made no official move to incorporate yet.

Last week the Irvington Chamber sent a resolution to the Township body—and other groups. It condemned Newark by implication for land-grabbing tactics in suggesting that Newark's proposed city limits extend inside the Irvington School District.

However Cotton stressed "encroachment' was not Newark's aim. Said he:

**"We only did what the Township Chamber recommended. We made a careful study of the Coro Report (on Township cityhood) and told the people it was possible to incorporate Newark."**

The Newarkers had suggested that city boundaries be the same as those of the Newark Fire District, which overlaps into the Irvington School District. Cotton went on:

"Whatever we try to do as a Township will cause friction. It seems just psychological. If the school districts were named after Presidents instead of towns, we wouldn't have this friction."

**Cotton said no date yet has been set for a meeting with industrialists in his town to determine if they want Newark incorporated.**

At motion of C. K. Dennis of Niles, the Irvington resolution was tabled "for further information."

### MILDRED FOSTER RITES WEDNESDAY

Funeral services will be held Wednesday at 2 p.m. in Chapel of the Palms for Mrs. Mildred E. Foster, 40, member of a pioneer Washington Township family, who died Sunday in Chicago after a long illness.

Mrs. Foster left by plane for a Chicago hospital last week for treatment. She is survived here by her husband, Kenneth, past president of the Newark Chamber of Commerce; and by her parents, Dr. and Mrs. J. H. Durham of Irvington.

**Mrs. Foster's grandfather, the late Rev. George Durham, was one time president of Washington College at Irvington, and founder of the Irvington Community Presbyterian Church, of which Mrs. Foster was an active member.**

Mrs. Foster was a graduate of San Jose State College, and worked for several years in advertising offices in San Jose and San Francisco. She was also secretary of the Newark Grammar School for a time.

Other relatives include four cousins, Frank Durham and Mrs. Roy E. Davis of Chicago, Wendell Ingram of Gridley, and Leland W. Cutler of San Francisco.

Friends are asked to omit flowers in favor of donations to the Irvington church or the American Cancer Society.

### Hillview Link

An outlet connecting Hillview Crest directly with Decoto was approved Tuesday by the Board of Supervisors when they appropriated $27,000 to extend Ithaca Street south of Whipple Road.

Supervisor C. E. Stanley said the new street will pass by the Barnard School.

County Engineer Wallace Boggs estimated $21,000 will be spent to pave the 40-foot street, and another $6000 for right-of-way.

### Mission Streetwork

The Board of Supervisors this week appropriated $9000 to pave and drain Ellsworth Street in Mission San Jose between Cedar and Pine Streets.

Supervisor C. E. Stanley said county officials will contact property owners on the block and seek title to the edges of the existing roadway so an 80-foot street can be dedicated.

### DISEASE REPORT

One case of polio, one of German measles, and two of whooping cough were reported from Washington Township last week

### BI-MONTHLY BILLS

Two local water companies announced this week they will send customers bills only every second month, instead of every month, as in the past. They are the Alameda County Water District and the Citizens' Utilities Co. Reason: Economy.

## Charge Towns Give Coro Report 'Silent Treatment'

Washington Township was characterized Monday before its chamber of commerce as "an area with a billion dollars worth of future and 10 cents worth of willingness to work for that future."

Lack of interest in the Coro Report on Township cityhood brought the charge from Bruce Michael of Warm Springs, a delegate to the Township Chamber. Said Michael:

"The town chambers were supposed to study the report and vote on it (last spring), but they all think it's a hot potato and they're afraid to talk about it."

Then he called for a straw vote of the delegates present on (1) whether they want Township-wide incorporation, (2) incorporation of their individual town, or (3) no cities at all.

In informal polling, seven voted for Township cityhood, two for individual cities, and three for no incorporation whatever.

Gordon Cotton, presiding in the absence of President Maurice Marks, who is ill, suggested that the towns may be waiting for the chamber to decide what it wants to do about its own reorganization. Members have eyed the possibility of opening its ranks to individual businesses and industries.

Since Paul Gygax resigned as chairman of the reorganizing committee, Cotton appointed Gus Robertson, who also was absent, as committee chief in Gygax's place. No recent meetings have been held, however.

# SEEK SMELL PROBE FROM SUPERVISORS

An investigation into the "big smell" that accompanied last month's smog and discolored houses in Centerville and Newark was demanded Monday by the Township Chamber of Commerce.

In a letter directed to the Board of Supervisors, an inquiry is under way, it is reported, but no results have been released.

Vincent Kaehler of Newark said the hydrogen sulphide gas which allegedly causes the smell and discoloration may be a product of cannery wastes, dumped into the Bay in violation of State pollution laws.

# MALONEY CONDITION TERMED CRITICAL

Still in critical condition today was William Maloney, 37, Irvington electrician, who suffered a fractured skull when his car overturned in the Kimber underpass near Niles late Friday.

Maloney is unconscious in Highland Hospital. His wife, Earlene, former secretary of the Irvington Chamber of Commerce, today thanked friends for their sympathy and asked for further prayers for her husband's recovery.

The crash was witnessed by two highway patrolmen, Ed Barker and Sandy Vahrenkamp, who said Maloney's southbound car passed them in the opposite direction, failed to negotiate the curve at the underpass, swerved off the road, then into an abutment, hurling the driver to the highway.

Phel Chappell of 504 Seventh Street, Decoto, injured Sunday night in a crash at the Niles underpass, is still in critical condition today at Fairmont Hospital. Chappell's car was totally demolished.

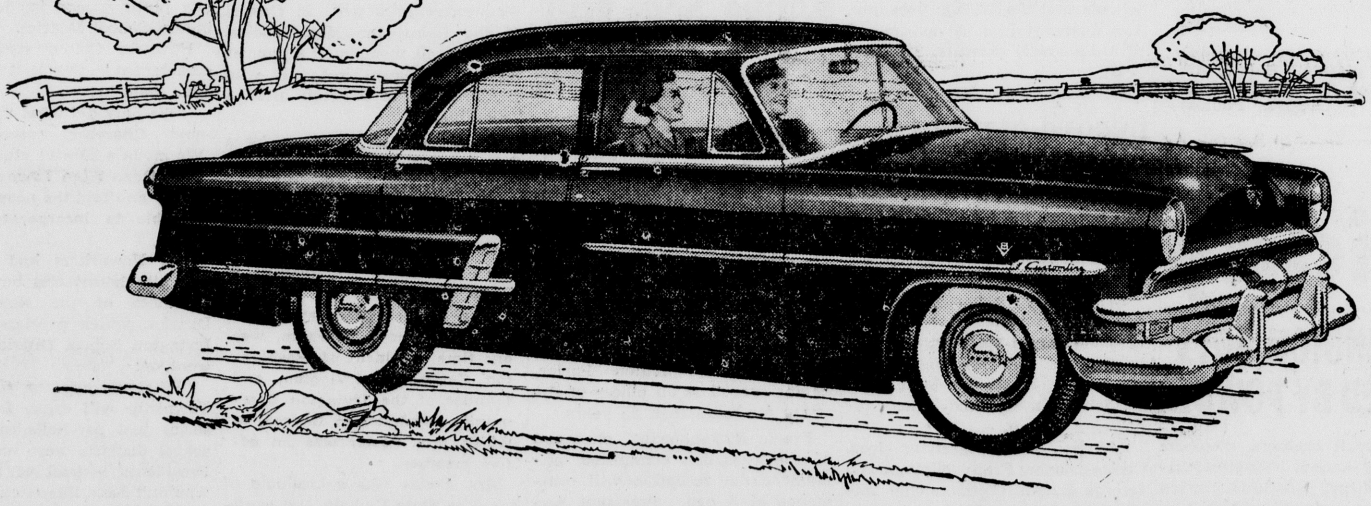
THE FINE CAR at *half* the fine car price



Duplicating America's costliest cars, feature after feature, Ford is worth more when you buy it . . . worth more when you sell it!

A FEW MINUTES on the telephone calling the dealers who sell America's finest cars will reveal there are at least eleven models among four makes with price tags over $4,000!

Now the interesting thing is that in feature after feature the Ford car duplicates each of these fine cars, and *for less than half the fine car price!*

Look under the hood of the most expensive cars and what do you find?

***A V-8 Engine!***
Well, the Ford car has a V-8, too. In fact, it has had a V-8 since 1932, and since that time Ford has built more V-8's – by *millions* – than all other manufacturers combined. And there's no other builder in Ford's price range that's seen fit to offer one yet!

But the engine, as fine as it is, is only one of many things that make a fine car *fine.*

***Automatic shifting, for example.*** All the fine cars offer it in one form or another because it's one of the things that make a fine car *fine.* But if you've never driven a Ford with Fordomatic you've missed one of the finer things of life. This amazing transmission not only does away with clutching and shifting forever – it gives you exactly the amount of power you want, when you want it –automatically.

***Fine car power steering, too.*** The big, heavy costly cars offer it for the same reason they offer power brakes. It's a man-sized job for a 120 pound woman to handle a car weighing two tons or more without it–especially when parking. Our "Master-Guide" has two distinct benefits.

First, it gives a hydraulic power assist right down at the wheels *and just enough to take out the work.* You don't relinquish one particle of control–rather your control is more complete and far easier.

Second, being hydraulic, "Master-Guide" power steering absorbs those fatiguing steering wheel tremors caused by ruts and roads in bad repair. *And you don't pay a fine car price for "Master-Guide."*

***But there is another fine car feature—the Ford ride.*** Books have been written on the subject of riding quality in an automobile, but the payoff comes on the pavement – *or lack of it!* Many people associate a comfortable ride with excess weight, but it's not weight alone that makes for comfort. If it were, those big five-ton trucks which you see every day would be the most comfortable vehicles on the road.

Without being technical we can tell you that what's been done with the suspension and springing system gives the Ford a softer ride, a smoother ride than many cars which tip the scales at better than an added half ton.

*What about room?* Here's an interesting point. If you've felt that only a costly car offered enough room, you just ought to sit down in a Ford even if you're out-size and six feet four! The so-called big car is bigger on the outside, but unless you buy a limousine with those little jump seats, it's not one passenger *bigger inside.*

***Visibility is another fine car Ford feature.*** We say Ford cars offer "full-circle" visibility because they all have huge, curved one-piece windshields and a huge rear window to match . . . *plus* side windows that mean every passenger gets room with a view!

***How beautiful is a Ford?*** A great English poet, John Keats, once wrote "Beauty is Truth, Truth Beauty"–well, he could have been writing about our car for its beauty comes from honest, clean lines in every dimension. In fact, we think most people agree–even our competitors –that the appearance of a Ford Car leaves very little to be desired. It is "at home" wherever it goes and it goes everywhere.

***But what about Ford quality?*** Does it too match the fine car? Is the sheet metal of the body panels as thick? Is the finish as good? How about the trim and things like that? Well, as far as we can determine, the sheet metal is identical in thickness in practically all instances. As to finish – we believe Ford's *baked-on* enamel has no equal in any car. Ford upholstery fabrics and trim are less costly, but they're less delicate, too, and if anything, more durable.

*How then is it possible to give you this fine car at half the fine car price?*

Part of the answer lies in Ford manufacturing skills and knowledge as evidenced by the V-8 engine. Part of it comes from the ever increasing numbers of cars Ford produces and the economies they make possible. And, part of it comes from Ford's willingness to give greater values than might be expected in cars selling in Ford's price range. And that's the Ford idea.

## NEWARK ANSWERS GLENMOOR RATES

Latest rebuttal in the Great Boundary Debate came today from Newark Fire Chief Joe Pashote, one of the principals in the argument between Newark and Centerville over whose fire district valuable Glenmoor Homes falls in.

Pashote said published statements by Glenmoor's developer, James R. Meyer, that the Centerville side of the tract enjoys a lower fire-insurance rate are "not correct."

Pashote said he has the word of Fred Kaiser, engineer for the Board of Fire Underwriters, that the Newark portion's rate "is 7½ cents lower per $100," or 42½ cents against 50 for composition roofs and 52½ cents against 60 for shingle roofs. The entire tract has been placed in a "Number One" zone, for purposes of classification, he added.

The chief also disclosed Kaiser told him he will recommend that the Smith-Peters tract, in Newark, be placed in a "Number One" zone too, to get a lower rate.

San Francisco has a specialized business branch public library in the downtown financial district.

## Where's Our Dump?

A reply to a recent inquiry about a Township trash dump was requested Monday from four local sanitary districts by the Washington Township Chamber of Commerce.

Secretary Vernon Ellsworth said no answer has been received to letters sent six weeks ago asking if the districts would combine to operate a central dumping ground.

## GREEN BUT GAME, PUPS OPEN FRIDAY AGAINST POLY B

Washington Hi's Bs open their 1953 season tomorrow night, as they face the Poly Hi's B eleven on the Centerville gridiron.

Coach Harold Gene Johnson has cut his squad from 65 to 45 in readiness for the first game.

Johnson, who is enforcing the "T" formation, hopes his Puppies have it down pat after three weeks of practice.

**Johnson has only five returning lettermen. They are Ed Fletcher, Tino Rangel, Richard Gonzales, Allan Selover and Ray Orozco.**

Johnson was born in Southern California and attended Fremont Hi in Sunnyvale. He was in the Navy for three years, after which he played semi-pro football with the San Jose Packers in 1950. He attended San Jose State from 1946-50 where he received his B.A., and Stanford in 1950-51, where he obtained his M.A.

The last two years he has coached high school football, baseball and basketball at Williams.

Johnson is being assisted by Barney Bragg, a football-playing graduate of Washington Hi in 1941.

### Grid Opens Friday

(Continued from Page 1)

**experienced halfbacks, Don Santos and Dan Owen. Santos weighs 170 and Owen 180. Owen has the blocking spot.**

A few veterans in the line, notably Guard Clarence Souza, Tackle Ron Flatt, and End Carl Von Euw, make the picture brighter there.

Voorhees is being aided this year by Bob Osborne, 23, San Jose State halfback for three years. Osborne hails from Fullerton, where he was an all-conference back in high school and at Fullerton JC.

## BEARCATS RALLY, BEAT JEFFERSON 7-4

By TONY ROGERS

Coming from behind late in the contest, Centerville's Bearcats defeated a Jefferson Club nine from San Francisco here last Sunday by a score of 7-4.

After Bob Lunsford relieved Starting Pitcher Ed Romero in the third inning, Jefferson scored no more. Timely hits by Jess Jacinto, Stan Roderick, Nunes, Frank Romero and Lemos whittled the visitors' lead in the fifth, sixth and seventh frames.

| Score by innings: | | | | R | H | E |
|---|---|---|---|---|---|---|
| Jefferson .... | 400 | 000 | 000 | 4 | 8 | 6 |
| Bearcats | 101 | 031 | 10x | 7 | 11 | 3 |

**GUEST — Making an informal inspection tour, and speaking to some 40 local civic leaders in the International Kitchen last Friday was State Comptroller Robert C. Kirkwood. Hosts for the luncheon were Alameda County's inheritance tax appraisers, Hugo Correll, John R. Ober and Leslie Irving.**

### Lions Talent Show

An amateur minstrel show to benefit the Lions Club eye-correction fund will be held October 16 and 17, in Washington Hi auditorium.

Amateurs of all ages are urged to contact Matt Whitfield Jr., program chairman; or his committeemen, Nathan Click, Dwight Thornburg and Paul Gygax.

### CHECK CHARGE

James E. Clark, formerly of Centerville, pleaded guilty Friday before Judge E. A. Quaresma to charges of passing two spurious $35 checks on local merchants. Witnesses against Clark were Mrs. Georgia Dennis, Niles dress shop owner, and Miss Betty Jo Krueger.

## Alvarado Farm-Home

Mrs. Elsie Madruga presided over the first meeting of the Alvarado Farm-Home Center last Thursday in Parish Hall, Centerville. New officers were installed by Mrs. Jessie Murphy, past chairman, aided by Mrs. Mamie Perry.

## Rebekah News

Silver Star Rebekah Lodge will meet Friday evening at Odd Fellows Hall, Irvington. Bessie Olace is chairman of the refreshment committee.

Cecil Caldwell, noble grand, has prepared a reading of the history of the Rebekah degree, to make its 102nd anniversary, which fell on September 20.

The lodge will hold an evening card party on October 16 at the hall in Irvington. The public is invited.

Members of the Friendly Sewing Circle will meet today (Thursday) at the hall in Irvington.

## Palo Alto Party

Mr. and Mrs. Walter Chrysler of Niles were guests last week of Dr. and Mrs. Joseph B. Enos at a conclave of the East Bay Nursing Homes Association in Palo Alto.

## Laura Loma Party

Following a barbecue at the home of Mrs. Clarence Crane, with Mrs. Richard Davis, Mrs. Sophie Quartaroli and Mrs. Norman Rose as chefs, members of Laura Loma Parlor, N.D.G.W., completed arrangements for the whist party to be held October 6 at Boliba Hall, Niles.

Mrs. Fleecie Gomes is chairman of the card party and will be assisted by Mrs. Quartaroli, Mrs. Charles Frick and Mrs. Rose. A portion of the receipts of this affair will be allocated to the Children's Home Foundation and also to the restoration of the chapel of Mission Soledad as well as a contribution to the Veterans Welfare

The Children's Foundation is a new project, started in 1952 by Past Grand President Jewel McSweeney. Through this fund hundreds of children have received eye glasses, hearing aids, crutches and various forms of necessary medical care.

Guests of Laura Loma Parlor at the barbecue included Supervising Deputy Grand President Maxine Clements and members of Fruitvale Parlor, Mrs. Tillie Enos and Mrs. Rita Furtado of Betsy Ross, Mrs. Rose Mezze, Mrs. Marion Zwissig, Mrs. Julia Wauhab, and Mrs. B. Silva of Pleasanton Parlor.

## Irvington YLI News

"Back to School" was the theme in the "Back to Institute" party held by St. Jude Institute, YLI

Members dressed as school girls and joined in the spirit by eating lunches from lunch bags with President June Lewis in the role of school principal. Special guests were members of the institute's junior group, Little Rose Institute. Other guests were members of Livermore Institute, President Elsie Anderson, Institute Deputy Irene Armstrong, and Margaret Kylle.

Committee in charge was Mae Pimentel, Diane Ornellas, Helen Bettencourt, Antoinette Cordeniz, Ellen Freitas and Marjorie Lopicallo.

Plans are being made for the joint official visits of Grand President Katherine Flor and District Deputy Ilene Alameda on October 27. This event will be a Halloween party where members and guests are invited to dress in masquerade.

## Ralph Juhl Engaged to Claudia Rasmussen

Mr. and Mrs. Peter D. Juhl of Niles were hosts at a dinner party Saturday evening to disclose the engagement of their son, Ralph Peter Juhl, to Claudia Rasmussen of Pleasanton. Formal announcement of the engagement was not made until Sunday afternoon by the bride-elect's parents

The guest list included the following: Mr. and Mrs. Earl Bachand of Alameda, Dr. and Mrs. B. D. Crowther and Mr. and Mrs. Charles Ricker of Berkeley, Mr. and Mrs. Thomas Barrett of Danville, Mr. and Mrs. Roy Sharp and Mr. and Mrs. Clayton Kruger of Oakland, Mr. and Mrs. P. S. Ricker of Walnut Creek, and the bride-elect's parents, Mr. and Mrs. Edward C. Rasmussen.

On Monday night Claudia circulated the traditional five-pound box of candy to the girls in Stern Hall and Ralph handed cigars to the friends of Bowles Hall, where he lived for his first two years at UC.

Ralph graduated from Washington Union High School with the class of 1951, where he was active in sports. He is now starting his first year at Dental School, San Francisco. He is a member of the Delta Sigma Delta dental fraternity.

No definite plans will be made for the wedding until after Claudia's graduation from UC in June of 1955.

## YLI Past Presidents Elect Officers

Mrs. Dorothy Cardoza last week succeeded Mrs. Madeline Santos as president of the Past Presidents Club of De Guadalupe YLI.

Mrs. Mary Nunes was elected secretary, and Mrs. Ruth Silva will be the new treasurer, succeeding Mrs. Lucille Brown.

The following committees were appointed in charge of the dinner at the International Kitchen on October 29, honoring past presidents of the East Bay District: Invitations, Mrs. Mary Nunes and Mrs. Dolores Lemos; favors, Mrs. Florence Chericoni; entertainment, Mrs. Dorothy Cardoza, Mrs. Wyni Enos and Mrs. Ruth Silva. Reservations are to be made with Mrs. Madeline Santos, Centerville, or Mrs. Viola Dias, Niles. Mrs. Marguerite Crane will act as chairman of the evening.

Next meeting of the Past Presidents Club will be held at the home of Mrs. Viola Dias with Mrs. Wyni Enos as hostess.

## De Guadalupe Initiation Slated for Tonight

### NILES GI PROMOTED

Angel Arias, 21, son of Mrs. Rose Arias, Niles, recently was promoted to corporal while serving with the 7th Infantry Division in Korea.

Corporal Arias, a squad leader in the 32d Regiment's Company G, entered the Army last November and completed basic training at Camp Roberts. He has been in Korea since May. A 1952 graduate of Washington High School, he worked for the California Pottery Company.

## Rotary Hears Pastor

Far from being the menace that generals fear, fraternalizing with our enemies, past and present, is the basis for brotherhood, a Congregational minister told the Niles Rotary Club last week.

The Rev. C. W. Kirkpatrick of Niles, who spent 1944-48 as a Red Cross or welfare worker in Germany, declared "fraternization has its basis in the 'will to brotherhood,' and is our best, if not our only hope for world peace."

## WELL, ANYWAY, IT'S GOING TO NILES . . .

**Niles business circles were abuzz for a few days last week with word that a $2,500,000 The rumor spread after Chamchemical plant would locate here. ber of Commerce Prexy Walter Chrysler was approached by an unidentified salesman who asked "where the Roth Manufacturing Company was going to build," and exhibited a trade magazine saying the factory would come "to Niles, California."**

**Further investigation however disclosed the magazine writer was 2000 miles out in his geography. The factory will come to Niles alright — Niles, Illinois.**

## BRANCH USED AS MURDER WEAPON

One Mexicon "wetback" laborer was dead and another was charged with murder as the aftermath of a quarrel in a labor camp near Alvarado late Sunday night.

Dead is Augustin Quintero, 27. Held is Seferino P. Rios, 27. Both are illegal immigrants, deputy sheriffs said.

**According to Capt. R. E. Condon of the local sheriff's substation, Rios told officers he and Quintero quarreled, then Rios left the camp and waited for him outside, armed with a four-foot tree branch.**

When Quintero emerged, Rios said he struck him with the branch, then smashed him again as he lay on the ground.

Dr. E. C. Grau, summoned by Quintero's friends, pronounced him dead of a fractured skull. Rios was arrested and Capt. Condon signed a murder complaint against him Tuesday.

## FREE X-RAYS TO COMBAT TB HERE

The big x-ray truck of the Alameda County Tuberculosis and Health Association will be a familiar sight throughout Washington Township during October, which has been designated as Chest X-ray Month for Township communities.

With Mrs. J. R. Whipple of Niles as general chairman, the TB detection project is being sponsored by the TB Association and the Alameda County Health Department.

During the first week of October the Christmas Seal x-ray truck will be visiting Washington Township industries to provide free minifilm chest x-rays of workers.

The public x-ray schedule for the remainder of the month includes:

**Mission San Jose, Wednesday, October 7, 9:30 to 1 p.m., and 2 to 5:30 p.m.**

**Irvington, Thursday, October 8, 10 a.m. to 6 p.m.**

**Alvarado, Friday and Saturday, October 9 and 10, 11 a.m. to 7 p.m., Friday, and 10 a.m. to 6 p.m. Saturday.**

**....Warm Springs, Tuesday, October 13, 9:30 a.m. to 1 p.m., and 2 to 5:30 p.m.**

**Newark, Wednesday, October 14, 10 a.m. to 6 p.m.**

**Niles, Thursday, Friday and Saturday, October 15-17, 9:30 a.m. to 1 p.m. and 2 to 5:30 p.m.**

**Decoto, Thursday, Friday and Saturday, October 22-24, 10 a.m. to 7 p.m. on Thursday and Saturday, and 11 a.m. to 7 p.m. on Friday.**

**Centerville, Tuesday, October 27, through Saturday, October 31, 9:30 a.m. to 5:30 p.m.**

Provision for the free chest x-rays is made possible, Mrs. Whipple pointed out, by proceeds from the annual Christmas Seal sale of the Tuberculosis Association.

Along with the survey, an educational program will be conducted, Mrs. Whipple said. Films and speakers on the subject of TB will be available to clubs and other groups.

Arrangements for a film and/or speaker may be made by contacting Mrs. Whipple or any of the following community chairmen: Mrs. T. D. Witherly, Mission San Jose; Mrs. Earl MacIntosh, Irvington; Mrs. Marie Falkowski, Alvarado; Mrs. J. S. Brown, Warm Springs; Mrs. Homer Ligon, Newark; Edward E. Enos, Niles; and Dr. Harold Schoenfeld. Decoto, or Mrs. Allan Walton, Centerville.

Volunteers to serve on the survey committees also are being recruited, according to Mrs. Whipple. They are needed for telephone work, hostesses duty at the x-ray truck and for various other assignments, she said. Persons interested in aiding the public health project may sign up with Mrs. Whipple or other members of the survey group.

## FIREMEN, SAVE MY SIRLOIN, T-BONE!

The Newark Fire Department nearly got a call Monday night to its own barbecue!

Luscious steaks being broiled on an outdoor pit at the Pavilion caught fire and flamed for several minutes before volunteer smoke-eaters headed by Chief Joe Pashote put out the blaze.

Then the firemen and some 40 other Newarkers sat down to enjoy dinner—a meal tendered by the local Chamber of Commerce, which Pashote also heads.

The steaks were none the worse for wear.

## AT THE CROSSROADS

On October 14, the communities of Irvington, Warm Springs and Mission San Jose face a crucial decision. This is whether to float a $1,750,000 bond issue to finance public drainage canals in the Sixth Zone of the county's Flood Control and Water Conservation District.

Since these bonds require a two-thirds majority to pass, this newspaper feels it is necessary to warn the voters of Irvington, Warm Springs and Mission San Jose that if the bonds are defeated, the rosy future that they eagerly await may be a long time coming. Without proper drainage for storm waters, no industries of any size, and few more homes can be built on the porous slopes and the soggy flats.

It is enough to say that at least one industry of gigantic proportions, one which would bring solid, lasting prosperity to this entire area, is watching the October 14 vote before making its decision. Without assurance that its factories will be safe from intermittent floods like those of 1951-52, this industry will go elsewhere.

The county's flood engineers have played it smart. They intend to sell only enough bonds each year to finance the canals and conduits on an easy, pay-as-you-go basis. This way, taxes will be held low.

But even if they were high, sky-high, no resident of the South Township could afford to let their community's future go by default. A "yes" vote is definitely indicated on October 14.

## THE MISSING LINK

With a feeling of some satisfaction, we note that the State and the County will install stop-and-go lights at two dangerous Highway 17 intersections—at Thornton Avenue and at Jarvis Road. The Centerville Chamber of Commerce rates a pat for its role as squeaky wheel, which eventually got the grease. The Township Register also is not too modest to take a bow for an assist.

Persistence pays, it seems, so let's return to our favorite theme: when is the State going to finish the Eastshore Freeway between Mt. Eden and Warm Springs? An open letter we wrote some weeks back to Senator Breed and Assemblyman Dunn brought word from those worthies that the final decision rests with the State Highway Commission. Okay, let us have an indication, then, from these commissioners. Have they ever seen Main Street in Centerville, or Monument Bend at Irvington? Are they aware of the burden their lack of decision places on local planning?

A $20,000,000 fund has been established to buy rights-of-way for State-built freeways. Can the missing link between Mt. Eden and Warm Springs get some of that money? Can we get a definite answer on any of the "feeders?" Gas taxes have been raised to provide more money for highways. When can we expect work to start? In fairness to Southern Alameda County, the State Highway Commission ought to answer these questions.

## ORDER—A HUMAN DESIRE

A noted scientist tells us it's not our thumbs or our power to reason that sets man apart from the beasts, but our desire for order. Therefore it's no surprise to hear demands for protective zoning voiced so strongly in Centerville, Niles, Mission San Jose—all unzoned Township communities.

Centerville particularly wants to start the ball rolling. The reason: commercial development is coming there wth a rush.

It seems certain Centerville will be zoned within a very short time. It's almost as certain that there will be objections to the form zoning will take—or indeed, to any zoning at all. But zoning our towns must have, or face an uncertain, disorderly future, one which will forbid our Township to desirable industry and commerce alike.

In Centervile every opportunity has been given for local interests to express themselves on the type of protection they want. Niles and Mission look forward to the same opportunity.

## IN MEMORIAM

Death comes too often to the young in this melancholy generation of strife. Yet it comes always with a double twinge of sadness. So it is with our Township's leave-taking of Mildred Foster.

Mrs. Foster was young, and she was brave. For several years she knew the odds were stacked against her to grow old. But to her community and her friends she freely gave a wealth of wit and gaiety, gifts which were hers by nature's endowment. To others she gave encouragement. Of her own misfortunes, she made light.

To all of us, occupied with petty cares and selfish views of life, Mildred Foster sets an example to follow. We shall be the poorer for her absence.
